Intertek EMC Mark

The EMC Verified Mark is a symbol of EMC compliance for your customers and evidence to authorities that Intertek has independently tested and certified your product's compliance to applicable EMC requirements. Intertek exclusively provides the EMC Mark.

This License is for the exclusive use of Intertek's Client and is provided pursuant to the Licensee agreement between Intertek and its Client. Intertek's responsibility and liability are limited to the terms and conditions of the agreement. Intertek assumes no liability to any party, other than to the Client in accordance with the agreement, for any loss, expense or damage occasioned by the use of this License. Only the Client is authorized to permit copying or distribution of this License and then only in its entirety. Use of Intertek's Licensee mark is restricted to the conditions laid out in the agreement. Any further use of the Intertek name for the sale or advertisement of the tested material, product or service must first be approved in writing by Intertek. Initial Factory Assessments and Follow up Services are for the purpose of assuring appropriate usage of the Licensee mark in accordance with the agreement, they are not for the purposes of production quality control and do not relieve the Client of their obligations in this respect.
