

Product information according to EU Regulation 2024/1103

1. General product information

Product Category: Electric local space heater

Manufacturer: VEAB Heat Tech AB

Model designation: BX 9SE / BX 9AE / BX 9ANE

Property	Value
Type of heater	Electric portable space heater
Nominal heat output	9000 W
Power control	Yes (0-4500-9000W)
Thermostat	Mechanical thermostat for room temperature control
Application	Indoors
Mobile/fixed installation	Mobile

2. Energy and efficiency data

Parameter	Value	Unit
Seasonal space heating energy efficiency ($\eta_{s,on}$) in active mode	44,7	%
Power in off mode	0	W
Power in standby mode	0	W
Power in idle mode	0	W

3. Other information

- The product shall be recovered and submitted for recycling according to local regulations.
- This product is only suitable for well-insulated spaces or temporary use.
- For installation and use see www.veab.com/bx
